

Sharps Mailback Program: Improve Staff Safety and OSHA Compliance

Your Staff We protect what matters.

Retail pharmacies are taking a leading role in immunization not only for the notable revenue growth but to safeguard their communities and exercise the value pharmacists bring to the overall wellness and health care process! Stericycle can be a fundamental part of your immunization strategy, helping to keep your facility compliant with state and federal Occupational Safety and Health Administration (OSHA) regulations. Our **Sharps Mailback Program** provides a safe and convenient solution to dispose of sharps waste in your pharmacy in multiple ways.

Save Time and Effort

- Sharps containers with mailback kit shipped directly to your facility
- Department of Transportation (DOT) compliant and preprinted shipping papers
- Auto-Replenishment option
- Monthly and end-of-program reporting

Convenient Disposal

- Vertically integrated design, fulfillment and disposal
- Simple-to-use, USPS compliant mailback system
- Includes prepaid ship back box and return labels
- Proof of disposal provided

Container Design

- Allows many types of sharps waste: needles, injector pens, syringes
- Variety of sizes: 1.4 qt, 1 gal, 2 gal and 3 gal
- Accommodates an additional 20-25% of sharps waste*

*As compared to other sharps containers of similar size and volume.

Sharps Mailback Program

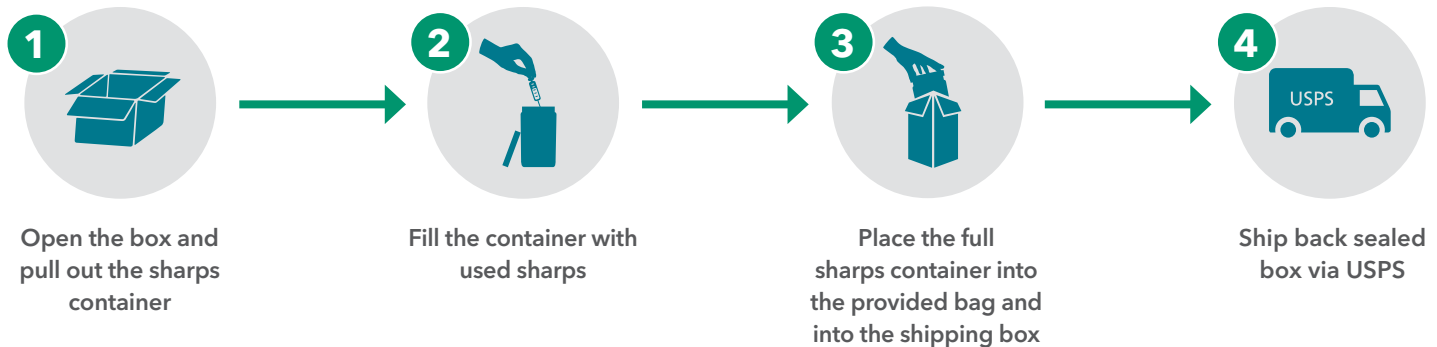

Our sharps containers are available in a range of sizes to suit any immunization program and are shipped to your business with easy instructions and a prepaid return-shipping box. When the container is full, or at the end of your program, you can easily return—safely and compliantly—with the preprinted manifest supplied with the containers.

The Program Includes:

- Sharps container and plastic liner
- Step-by-step instructions
- Pre-addressed, postage-paid return shipping labels
- Barcoded return shipping container
- Prepaid disposal
- Serialized tracking documents (for tracking and proof of waste destruction)

Using Stericycle's Mailback Program Is Easy!
